Electric Water Cure. THE undersigned has taken the large House on the hill in South Nashville, at the head of Front treet, known as the Rulledge property, where he has stablished a comfortable home for invalids, and projected ample means for their restoration to heaith. Patients from the country and strangers taken sick in the city can find gentle nursing and appropriate medi-cal attendance. Our treatment in Chronic Diseases consists of Water Electricity, and the most effective medicine and Homospathy in all Acute and Febrile Diseases, and in all cases our charges will be mode-rate and to suit the times. of the city.

As far as regards our success in practice in the healing art, we will only say we have now been in Nashville one year, and our register will show the names of over 150 patients, treated for various diseases, most of them hopless cases of Chronic Diseases, and 31 of whom were confirmed cases of Consumption, and out of the whole number of 150 odd cases treated, only 6 have died, all of whom were given up as betteless before I saw them, and every one of the rest. ed, only o have died, an of whom were given up as hopeless before I saw them, and every one of the rest have been cured, or at least greatly benefitted. Mr. Epiron: Having been afflicted for some months seed as is known, by our ways acquaintances, with past, as is known by my many acquaintances, with an attack of paralysis, and having received a benefit decided from the use of electrical baths, given me by Dr. Westervelt, I have thought it due to those simi-larly situated with myself, to make this publication. I was decidedly convalescent when I began to use the baths, but the benefit derived from them has been so

I am now able to use my fingers and my arms, which were entirely helpless, almost, if not quite, as well as I know this notice may inure to the benefit of Dr. W., at least with those who place confidence in my word, but to me it is a matter of much greater inpor-tance that my friends should know where they can be relieved from the state of helplessness I was in a short time since. NASHVILLE, TENNESSEE.

I TAKE pleasure in announcing to my old friends and Loustomers that after an absence of two years, I have again returned to resume the practice of the PHOTOGRAPHIC ART in all its branches, having purchased the interest of my brother in the old established Gallery in Union street, and having spent four months in New York the past Summer to obtain fully all the late improvements in the art. I have painted, removated and enlarged the suite of Rooms throughout. That my facilities are now better to produce first class work than most Galleries can boast of, and conduce to the comfort of our patrons. I trust not only to sustain the proud position the Gallery has heretofore sustained, but to elevate it to a still higher standard. I have also engaged the services of Mr. OOOK, one of the best Photographers in the world, who took the Pictures which obtained the first premium at the World's Fair in London, in 1851, and I am determined not only to make this the leading Gallery in the Siste, but my work shall not be surpassed North or South, and now introduce to the public the following new styles:

Vigenette, plain or colored,
Ivorytypes,

"Pastel Portal Pictures, life size,
Photographs on Canvass, life size,
Visiting Cards, full length plain,
Autograph Photographs, 18 taken at one sitting.
Stereoscopes, on glass or paper,
I still continue to make the Melainotype and Ambrotype as heretofore. The above styles are all entirely new in this city, except the Autograph Card, when but one made at a sitting. All who are in want of anything in my line are politely invited to give my a call before visiting elsewhere, when I will prove by occular demonstration the above facts.

Respectfully,

B. G. D. U. A.A.
